Good morning David:

I am missing the action items from the last meeting. I had a conflict and had to leave early and only captured two items. Amit is out on vacation and I do not have the complete list. Do you or Michele recall those items?

1. Placerita issue, AE determination. - ongoing
2. Gantt Chart review; pending Cat Canyon meeting.
3. Matt Stikes to send to EPA (Michelle Dermer) timeline for Elk Hills

Hi Rachael, attached is a draft agenda for next week's UIC meeting. We left a placeholder for the action items from the March meeting. Let us know if you have questions.

Thanks, David
